Dear Mr. McCone:

It is my pleasure to inform you that the Joint Chiefs of Staff have allocated a quota of four students from your Agency for the course of instruction at The National War College commencing in mid-August of 1965. The course is approximately ten months long.

As you know, the people from your Agency have added greatly to the overall success of the College since its founding and they may be expected to do so in the future. I do hope, therefore, that you will be able to fill the quota in entirety, and that your selectees will be chosen with the view to getting the maximum benefit to our government from this large investment in special education.

I enclose a short guide concerning administrative details.

I extend this invitation so you may continue to furnish students for participation in the activities of this College.

Sincerely,

1 Encl
